

# Food & Drinks

Our bar is an experience. Vesper's seasoned bartenders serve some of the best cocktails around, and the view is a sight to behold. The bar stands in front of a specially designed, 10-meter high wall of steel and brass that's decorated with vintage art and situated under beautiful stained glass. Guests can choose from a wide range of cocktails, wine by the glass, and enjoy exquisite tastes from a wide selection of dishes.
